## **DYNACO/Entrematic HIGH PERFORMANCE DOORS**

### **Reach Energy Goals**

#### ***ENERGY SMART DOORS***

DYNACO/Entrematic doors have a perfect perimeter seal, faster operating speeds and an insulated curtain.

***Saves your firm thousands of dollars per year per door in energy!***

Ask for a free energy analysis and precise return on investment comparison.

### **Reduce Insurance Premiums**

#### ***SAFETY ENGINEERED***

A door with a perfect safety record saves your firm money, reducing liability and improving safety.

***Saves your firm thousands of dollars in potential workmen's compensation claims!***

Ask your Factory Mutual Insurance Company if improving safety will reduce your premiums.

### **Reduce Maintenance Costs**

#### ***5 YEAR UNLIMITED CYCLE WARRANTY and 12 MONTH MONEY BACK GUARANTEE***

There is virtually no maintenance using DYNACO High Performance Doors.

***Saves your firm thousands of dollars in maintenance repairs and lost productivity!***

Ask about our impact-able, self re-inserting doors that last MILLIONS of Cycles.

### **Immediate Return On Investment**

#### ***Minimum 24 MONTH RETURN ON INVESTMENT***

Improved productivity, reduced maintenance, reduced energy consumption and lower insurance premiums.

***A capital lease could generate positive cash flow in the first month!***

Ask for a comprehensive assessment of all cost factors impacting your project.

### **America's Most Reliable High Performance Door Network**

#### ***FACTORY TRAINED and CERTIFIED INSTALLERS / SERVICE TECHNICIANS***

DYNACO/Entrematic has hundreds of distributors with reliable and responsive field techs nationwide.

***Local field support substantially reduces downtime and improves productivity.***

Ask about our FREE factory product training seminars available to all customers.
